Newlook International, Inc. Concrete Degreaser™

Technical Information Sheet

Newlook International, Inc. Concrete Degreaser™ is a high-quality, heavy-duty degreaser and soil remover. This concentrated cleaner can be diluted with water to provide an economical, effective cleaner for many different surfaces. Newlook Concrete Degreaser removes grease, oil, transmission fluid, adhesive, and other greasy areas from concrete and masonry surfaces. When used according to directions, Newlook Concrete Degreaser effectively cleans concrete surfaces in preparation for staining with Newlook International, Inc. Concrete Color Stains™ or any other penetrating concrete color stain.

USES AND BENEFITS

- Use Newlook Concrete Degreaser on concrete and other durable hard surfaces to remove grease, oil, adhesives, and other heavily soiled areas.
- Concrete Degreaser is especially useful in preparing concrete surfaces for Newlook Concrete Color Stains.

APPLICATION PREREQUISITES

- Newlook strongly recommends representative jobsite samples.
- Protect any walls and adjacent areas where Degreaser is not desired.

PRECAUTIONS

- Do NOT use on painted or stained surfaces, aluminum, chrome, copper, brass, and other alkaline-sensitive surfaces.
- First test in an inconspicuous area.
- May dissolve sealers and other protective coatings.
- Saturate plants, shrubs, and grasses before, during, and after use.

DIRECTIONS FOR USE

1. Scrape off as much of soiling mass (e.g. heavy grease deposits or excessive adhesive) from surface as possible before cleaning.
2. Dilute according to Dilution Ratios listed below.
3. Apply Newlook Concrete Degreaser with a Newlook Applicator Brush™, mop, pressure washer, or pump sprayer.
4. Allow dwell time of 3 to 5 minutes for heavy soiling.
5. Agitate with brush or mop.
6. Rinse thoroughly with water.
7. Using a pressure washer where appropriate will increase the effectiveness of cleaning and rinsing.
8. Repeat all the steps above as necessary.

PACKAGING AND COVERAGE

Kit Type	Bucket Size	Coverage (Sq Ft.)
Concrete Degreaser	5 Gallon	200 Sf. Per Gallon (4.9M ² /L) per application.
	1 Gallon	200 Sf. Per Gallon (4.9M ² /L) per application.

WARRANTY

Newlook International, Inc. Concrete Degreaser (“Product”) are not intended for public use and are intended for use by licensed contractors and installers, experienced and trained in the use of these products. Product is warranted to be of uniform quality within manufacturing tolerances. The manufacturer has no control over the use of Product, therefore no other oral or written representation or statement of any kind, express or implied, now or hereafter made is authorized or warranted by Newlook International, Inc. or its affiliates, and Newlook International, Inc. and its affiliates hereby disclaims all such warranties, including those of merchantability or fitness for a particular purpose. In any case, the manufacturer’s obligations shall be limited to refunding the purchase price or replacing material proven to be defective. Newlook International, Inc. shall not be liable for special, incidental, or consequential damages, including delays or lost profits. Communication of this warranty and its limitations to end users is not the responsibility of Newlook International, Inc. but should be communicated by those in direct contact with the end user. Any claim regarding product defect must be received in writing within one year from the date of manufacture. No claim will be considered without such written notice or after the specified time interval. The end user shall be responsible for determining Product’s suitability and assumes all risks and liability.

DILUTION RATIOS
